Payment Information

New Balance \$2,076.87
 Minimum Payment Due **83.00**
 Payment Due Date 08/21/11

Late Payment Warning: If we do not receive your minimum payment by the date listed above, you may have to pay a late fee and your APR(s) may increase.

Notice about Minimum Payments: The minimum payment includes a percentage of your current balance plus interest, any past due amount and/or overlimit amounts. If you make only the minimum payment each period, you will pay more in interest and it will take you longer to pay off your balance. For example, if you had a balance of \$1,000 at an interest rate of 17% and always paid only the minimum required, it would take more than 7 years to repay this balance.
