IYCS Group Serves at Father Woody's

Support your Wolves!!

On Sunday December, 18, the Idalia Youth in Community Service (IYCS) group traveled to Denver to serve the poor during the annual Father Woody's Christmas Party. This is a long standing tradition for the IYCS program and was another success this year. Mr. McFadden and the IYCS students would like to thank all of the community members who helped donate toys for our toy drive. These toys made wonderful gifts for disadvantaged children living on the Front Range.

If you have time and are interested, please take a minute to look at our new website! It is located on the Idalia school webpage and is found under the High School>Clubs>IYCS tab on the left hand side. We should have pictures from the annual Father Woody's Christmas Dinner located here and will be updating our site as the school year progresses.

HELP SUPPORT YOUR LOCAL SCHOLARSHIPS

Safeway cards are still available at the school. The Idalia Continuing Ed Committee is selling Safeway cards to raise funds for student scholarships. These cards are used like a debit card. You get full value for each card you purchase, but instead of giving all of the profit to the store, your card purchase gives 5% back to the Vision Foundation for scholarships. Cards are available in \$25, \$50, \$100, \$200, \$300 and \$500 increments. Cards can be purchased at the school office or from Deb Crites.

The Giving Tree

K-5 Teachers would like to thank the IPCC group for organizing the Giving Tree. In addition, we would also like to thank parents, community members and students who have donated gifts to our classroom. Your thoughtfulness is greatly appreciated.

TCAP (formally CSAP) is fast approaching!

TCAP (Transitional Colorado Assessment Program) will begin around February 27th and end on April 13th. The school would like to ask parents and guardians to avoid scheduling any appointments (dentists, doctors, etc.) during this time. For a more precise schedule, please contact Kelli Kite at the school. Thank you.

Snack Certificates Now Available

Need gift ideas for your kids? The Continuing Education can help with that. We are selling gift certificates to be used in the snack and drink machines. Certificates can be created for any occasion such as birthday, any holiday or as a reward for doing well. They can be valued at whatever dollar amount the purchaser wants to spend. Contact Linda Evans or Deb Crites to make your purchase.

NOTICE:

The Idalia Vision Continuing Ed Committee is looking for a sturdy, free-standing shelving unit. Please call the school if you have one to donate.

Thanks for visiting Elementary, Santa!

Idalia School Board, Staff, and Community,

My family and I would like to thank everyone for the support, cards, and prayers we have received from the community! It means so much to us! Also, thank you so much for the beautiful flower arrangement! I am so honored to be part of this grateful and caring community! Thanks again!

Sincerely,

Meghan Kinen and Family

Physics Class Bridge Project

By Ashley Hurlburt and Kortnee Spelts

Each member of the Physics class had to build a bridge out of toothpicks, balsa wood, and/or paperclips. Each bridge had to span an opening of 60 centimeters in length. The bridge had to be at least 10 centimeters high. The bridge needed to be able to handle 2 kg or more of weight and you should be able to drive a match box car across it. Lastly, the bridge had to weigh less than 2 kg. Ashton Weyerman's bridge was the winning bridge holding 26.8 pounds. He says that it didn't actually break just sagged too much.
