

Idalia School District RJ-3 Storm Routes

- Idalia School District RJ-3 has set up storm routes where school buses will run on oil roads only. See Map below.
- When storm routes are run, they will generally be for both morning and afternoon. If the road conditions change during the day, the use or cancellation of storm routes may change. If a change is made parents will be notified via the school messaging system.
- During storm routes, students **MUST** be discharged from the bus so they do not cross the highway while the bus is controlling traffic.
- Students that are absent because of storm routes will not have the absence counted toward their attendance record.
