

Release and Permission Regarding Use of Photographs

The District desires to use pictures of students on the school website, school newsletter, school social media accounts, or any local newspaper. The pictures of the students will portray the students in various school-related activities and programs, such as athletic team photographs and action photographs, from athletic competitions, as well as recognize students for awards.

The parent(s)/guardian(s) hereby acknowledge, covenant, and agree as follows:

1. To authorize, and hereby do authorize, the District to use, distribute, and license for use on the District's website, school newsletter, school social media accounts, and the local newspaper such photographs, film, images, and other recordings, including unrestricted use for non-commercial purposes of education and publicity; and in conjunction therewith to use the names, pictures, likenesses, and other information regarding the student(s) in various school-related activities and programs; and,
2. To release and waive, and hereby do release and waive, the District, its officials, officers, employees, and agents from any and all claims and demands for invasion of privacy, defamation, libel/slander, the Colorado Public Records Act, or any other claim arising in tort or based upon, or arising from, the use, display, or presentation of the subject still photographs, images, names, pictures, and likenesses for such non-commercial purposes on the District's website, school newsletter, school social media accounts, or local newspaper.
