THOUGHTS FROM THE PRINCIPAL

The first month of school has been eventful and productive. Already this year, our students have established baseline scores by taking the MAPS/DIBELS/etc. tests, our junior high and high school football and volleyball seasons are well underway, the FFA students have attended multiple conferences, many participated in the year's first 'Walk/Bike to School Day', some of our students had the opportunity to participate in 'Artist in Residence', and by the time this goes to print, Homecoming Week will be in the books.

It is fun to see all the students return from their summer breaks, a year older, bigger and more mature (in some cases). Each new school year brings with it a slightly different feel and student population, as we replaced last year's eight graduates with seven energetic and eager 3-year old preschoolers. Our school is once again enjoying strong enrollment with over 215 students PK-12. While many surrounding school districts are facing decreasing enrollments, and in some cases, consolidation, Idalia continues to enjoy enrollment levels at a near all-time high.

As we continue to receive and analyze assessment data from last spring, it has become increasingly evident that we have many accomplishments to take pride in. Highlighting last year's test results is the tremendous growth we showed in English Language Arts (ELA). In 2016, just 35 percent of our students who tested were considered 'Proficient' in ELA. Of our students who tested in April 2017, 56 percent achieved proficiency. This 63 percent growth in just one year is reflective of all the hard work our students and staff show daily. As we set goals for the future, we would like to continue our success in English, while also emphasizing improvements in our math, PSAT, and SAT scores, all of which are currently slightly below State averages.

Beyond looking at assessment data to gauge the quality of our school, I put even more emphasis on intangible factors such as the way our students conduct themselves and interact with one another. Our students continue to impress me each and every day. Our school, like all others, experiences occasional issues. Our students are not perfect and, at times, make poor decisions. However, all things considered, I believe our school is filled with outstanding students and supported by great families and community members. We have certainly "hit the ground running" here at the school, as we are anxious and optimistic to see what the 2017-18 school year has in store for us.

Brigette Kite - Wolf of the Month Student Profile

Brigette is a 9-year-old 4th grader. Her favorite teachers include her 2nd Grade teacher, Ms. Danielle Olofson, along with current teacher, Mrs. Rebekah Wieser. Brigette is a straight-A student and her favorite subjects are Reading and Writing. Some of Brigette's interests outside of school include dance and riding horses. Brigette looks up to her mom, Mrs. Kelli Kite, as her role model, stating, *"I want to grow up to be like my mom. She is always there to take care of me and she always tries to help those in need."*

When asked to discuss an accomplishment that she is proud of, Brigette responded, *"At my very first dance recital, there was a very big crowd. I was really nervous but I didn't screw up."* Brigette stated that a 'Fun-Fact' about herself is that, *"I went indoor skydiving and have traveled to 15 different states."* Brigette was asked to discuss her future plans and responded, *"When I grow up I want to be an author, house designer, and live on a ranch."* Brigette offers the following piece of encouragement to her fellow students, *"Always cheer on your teammates and classmates."*

On naming Brigette 'Wolf of the Month', Mr. Johnson said, *"Brigette is an outstanding student who has a very positive influence amongst our elementary students. I don't think Brigette has a mean bone in her body and I appreciate how she is constantly friendly, polite, and smiling. Brigette takes her school work very seriously and always gives her best effort. Friendly, hard-working, and happy students like Brigette is what makes our school so great. I am excited to watch you grow and continue to have success, both in and out of the classroom, Brigette. Your generosity and kindness will serve you well moving forward. Keep working hard and maintain your positive attitude, as I am very confident many bright things await you."* Submitted by Miles Johnson, Principal

For the third year, Idalia Health & Wellness will be sponsoring a candy collection contest! From November 2nd through 10th, K-5th graders can deposit their excess candy in the collection boxes located in each classroom. Through Operation Gratitude, kids will be donating Halloween candy, along with letters to be sent to soldiers/sailors (no pixie sticks) to our brave troops serving overseas! The classroom who donates the largest number of pieces will earn an additional recess and get bragging rights! The 2016 winners were the KINDERGARTEN class, and in total we donated OVER 43 POUNDS of candy! In addition, the Idalia Girl Scout Troop has offered to count and package the candy, and we will solicit local businesses to sponsor the shipping costs. Mixed Media Artist, Jody Buck, Returns to Idalia

Jody Buck is excited to be returning October 25-27, 2017, to work with the K-8th grades. Jody has two exciting projects planned: A festive fall creation of reds, yellows, oranges, pinks, and purples for the Kindergarten - 5th, and a challenging Doodle on a background of black, blue, green and purple for the middle school. We are looking for 2-3 volunteers to help out each day. Please contact the school if you would like to help us. Submitted by Cyndie Weyerman

FFA BIG CONFERENCE

After attending the BIG conference in Brush, Colorado on September, 20, 2017, the green-hands of Idalia, CO were thoroughly impressed with the workshop overall. Some of the activities that we enjoyed were working as a team to lift a tennis ball onto a narrow PVC pipe and passing the hula-hoop around a huge circle of people. We learned that teamwork is very important. The main idea of the workshop was to be dauntless. We learned that dauntless means fearless, and they related being dauntless to planes. To conclude this article the BIG conference was very educational. Submitted by Macy Richards, Idalia FFA

FBLA CALENDAR SALES

For the month of September, the Idalia FBLA Chapter officers and seniors traveled to Idalia, Burlington, St. Francis, and Wray. Members were in two groups—one headed towards Wray and St.

Francis and the other to Burlington. The groups went into local business asking if they would like their ad to be featured on the calendar that is distributed throughout Idalia, Burlington, Wray, and St. Francis as well. Like always, the members returned back with many ads to go on the calendar. Thank you

for your support. Submitted by Brian Jimenez, FBLA Secretary

WOLF PAW PAINTING

Idalia FBLA members demonstrated their painting skills by repainting the wolf paws that are on main street leading up to the school in the preparation for Homecoming Week 2017. Good Job FBLA! Submitted by

RED RIBBON WEEK

Red Ribbon Week (October 23-31) is an awareness champagne for alcohol, tobacco, and other drugs, and violence. Red Ribbon was started in 1980 by parents who thought they needed to play a leadership role in drug prevention. One activity during Red Ribbon Week Idalia will be taking the students to Liberty High School joining other schools, to hear an inspiring speaker, Gabe Murfitt speak his C.L.E.A.R. message. *Submitted by Madi Wells, Idalia Publications*

The year is rolling right along, and I want to make sure all students are ready for the steps that follow high school graduation. What does your child want to do or become?

Already, we are having great conversations starting in 6th grade all the way to seniors. We are not simply asking, "Where do you want to go to college?" BUT, "What do you see yourself becoming?" After we can grasp that question, the next phase is finding the right place for them to attend to fulfill their big dream. It looks different for all students, which is why we have developed ICAPs. ICAPs are Individual Career and Academic Plans. If you would wish to be a part of the ICAP discussion for your child, please feel free to contact me so we can set up a time with you, your child, and myself.

Other things that are coming up for October:

We have our annual **Financial Aid Night** presented by Morgan Community College for our 11th and 12th grade students and their parents. FAFSA now opens in October (instead of January) for financial help the following school year. Come and gather more information or ask questions on Thursday, October 12th. Parents are asked to arrive at 5:30, while students can join at 6:00 p.m. Please bring tax information from 2016 so that you can go through the entire process (as a senior) or practice (as a junior). Scholarship drawings will be happening...but only with the guardian and child both present. Snacks will be provided!

Our juniors and seniors also have the opportunity to visit with colleges at the annual **College Fair Visit** on Monday, October 16 in Burlington from 12:30-3:00 p.m. In order to attend, a permission slip needs to be turned in.

In addition, I am providing a **Counselor Help** opportunity for 9th-12th grade students on one Sunday a month to receive help with college applications, scholarship applications, PSAT practice, or SAT/ACT practice. The second opportunity is Sunday, October 15 from 2-4 p.m. in the high school flex area. I hope your child can join us! *Submitted by Kelli Kite, Counselor*

IDALIA SPORTS

The Idalia School year was followed by athletic activities! The high school volleyball girls welcomed a new assistant coach, Audrey Sayles. The Lady Wolves started off their first home game against St. Francis. It was a tough loss but the girls are showing improvement each game.

The high school football boys started their season with a win against Hi-Plains/Flagler. They have had three other games but came up short.

On the junior high side of things, Coach Higley stated "The junior high boys are coming together as a team. They really played well against Stratton and Lone Star. They have shown improvement these last two weeks and coach-

es are very excited to see how they will finish their season!"

On to junior high volleyball, Coach Chamberlain stated that "The junior high volleyball season is off to a great start! With 19 girls on the team, we are able to have 3 different squads, and each group is working hard and getting better daily. It's hard to believe that the season is already at its mid-point, but the girls definitely have lots to celebrate! With wins over Bethune. HP/Flagler and Stratton/Liberty the girls are sitting in 1st place in the junior high standings. However, nothing is guaranteed, and the girls will have to continue to work hard and keep fixing little things to win their tournament on October 23rd! In the girls' words, "We are a family. Each day we push ourselves and our team to get better."

Environmental Science Class Visits the Republican River

Eight students accompanied Mrs. Minor to the Republican River Monday, September 18, for a riparian and aquatic field study. The class had been studying ecosystems, food webs, and energy use by organisms.

After a brief picnic on the riverbank, we set off in our boots, wading in the shallow, but still flowing river. Students discovered minnows, darters, shiners, leeches, carp, crawdads, and bullfrogs in the river, as well as a garter snake, dragonflies, a lizard, toads, and several duck species flew by. We explored about a mile of the river upstream, then turned around.

Although the trip was short, we still discovered that while the river is not very deep (some places it flowed over the tops of our boots!!), it is still teeming with life. Submitted by Kristi Minor, Science Instructor

Physics Egg Drop

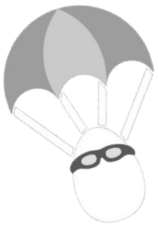

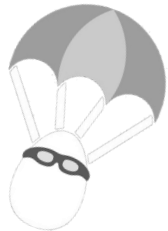

Once again, CHS personnel traveled to the top of the Idalia CHS tower to drop off our first physics project of the year. Megan and Breann's device took top honors -the only one that didn't crack. It wasn't much to look at (it looked like they had stolen a lower leg walking cast from a toddler), but hey, it worked. One group had great faith in their modified toilet paper roll (after successfully dropping it off various farm buildings), however, it resulted in a yolk shower. Some amazing designs showed up, some that resembled Leonard da Vinci's helicopter, but its cargo also met its demise upon landing. Thanks again to CHS for their assistance with this educational endeavor! Submitted by Cindy Soehner, Physics Instructor

CROP HUNGER WALK

ENDING HUNGER ONE STEP AT A TIME

Sunday August 10, 2017 a few of Idalia students participated in the annual Crop Hunger Walk hosted by the Saint John United Church of Christ. Members walked or biked a total of two miles (or less) to raise funds to end hunger at home and around the world. CROP was an acronym for Christian Rural Overseas Program. Its main mission was to help Midwest farm families to share their grain with hungry neighbors in post-World War II Europe and Asia. Today, we've outgrown the acronym but we retain it as the historic name of the program. CROP Hunger Walks are interfaith hunger education and fundraising events sponsored by Church World Service and organized by CWS local offices across the U.S. *Submitted by Brian Jimenez, IYCS Member*

MORE BENEFITS FOR SCHOLARSHIPS

We are happy to announce that Carpenter's Mini Mall is donating \$100 a month to our scholarship fund. Supporting our local grocery store will also benefit students who apply for scholarships.

All profits from the drink and snack machines and the use of Safeway and King Soopers gift cards are used to fund scholarships for students who apply for them.

Purchasing and using Safeway and King Soopers reloadable gift cards is very easy. Individuals buying these cards need to reload them at the register for whatever amount they choose. Loading this card can be done by using your credit card, check, cash or debit card. The card is swiped just like a credit or debit card. These cards can be used to purchase fuel at

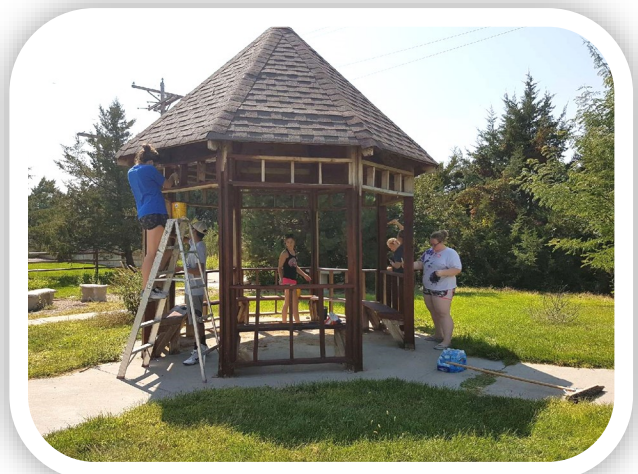

Safeway or King Soopers as well as merchandise. You can still use your store card to get store discounts. Safeway and King Soopers donate 5% of all money that is used to load these gift cards to the Continuing Education Program.

It is easy to purchase a reloadable gift card and use it at either of the two participating stores. Initial cost of each card is \$10 which is already added to the card for you to use. Checks need to be written to Idalia Vision Continuing Ed and can be purchased at the school office.

Perhaps your child has received a scholarship from the Continuing Education in the past; or maybe you have a child that will be eligible to receive a scholarship in the future. Wouldn't this be a great way to show your appreciation for that scholarship by supporting this program? *Submitted by Deb Crites*

GREENHOUSE GAZEBO STAINING

Right after finishing the CROP Hunger Walk, IYCS members Chelby Dull, Megan Waitman, Breann Shaffer, Maddisen Hoyda, Aubrey Richards, and Brian Jimenez, with the help of Kelli Kite, worked all afternoon to continue to stain the gazebo behind the greenhouse. IYCS has been working during the summer to clean up and restore the area around the greenhouse. They've pulled weeds, cleaned, planted, and stained the gazebo. *Submitted by Brian Jimenez*

SAFETY WEEK 2017

As we enter the month of October, there are many activities going on but the second week of October happens to be Safety Week. Safety Week is here to insure students, staff, and community members that we are safe, secure, and productive. Tuesday, October 10, at 9 a.m. the ambulance staff, fire department, and sheriff will be meeting with grades K-5. The kids will be learning more about the occupations of those that keep us safe. At 10 a.m. the Flight for Life helicopter will be landing on the football field for the students to watch and get an up close look at a Flight-for-Life helicopter. Thank you to all those involved with these services. Submitted by Jacey Jones, Publications Student

Artists in Residence

September and October 2017

Wynkoop, a local visual artist from Wray, Colorado, launched our first 2-day residency this year. Marnie said that she experienced her first "real" art class in 7th grade and fell in love! She studied art in college at the University of Texas and received her fine arts degree from CU Denver. Marnie taught art classes to homeschoolers and currently is teaching Arty Parties and mosaic classes at The Space in Wray. Marnie introduced painting with acrylics to the high school students with a desert scene. The help from Sheena Burr, Jessica Towns, Terry Henrickson, and Linda Shively was invaluable.

October holds more exciting experiences for our students. First and second grade will be traveling to the Denver Center for Performing Arts to take in the theatre performances of Ezra Jack Keats' "Snowy Day." The drama club and senior class will also be traveling to the Denver Center to see "Macbeth," a Shakespearian play.

Performing at home on October 12, the award winning clarinetist Roger Campbell will lead *After Midnight*, the hottest jazz band since the Swing Era! This extraordinary group of musicians conquers dizzying charts by the likes of Benny Goodman, Artie Shaw, Lionel Hampton, Nat King Cole and Frank Sinatra. It's exciting and great fun for listeners of all ages. Community members are welcome! ALIVE AT 25 DEFENSIVE DRIVING CLASS OFFERED

Colorado State Patrol Family Foundation

The Colorado State Patrol Family Foundation, in partnership with the National Safety Council, the Colorado State Patrol and 19 other law enforcement agencies across Colorado, has educated more than 133,000 Colorado teens and young adults to the perils of poor decision-making in and around motor vehicles.

alive AT 25 | SAVING LIVES THROUGH EDUCATION
National Law Enforcement Curriculum

Vehicle crashes are the #1 cause of death for people between the ages of 15 and 24. The National Safety Council, a leader in driver improvement training for more than 40 years, developed Alive at 25 to specifically target drivers and passengers in this age group.

\$39.00 A 50% reduction from the publically-offered, full tuition rate!

10% of each voluntary student's tuition fee will be donated to your school's PTA. **\$4.00**

• 15-24 year olds are involved in **29%** of all crashes

• 15-24 year olds make up **13%** of all licensed drivers

- Alive at 25 is a nationally recognized, award-winning program taught by law enforcement officers from your community.
- Alive at 25 graduates may be able to obtain an automobile insurance premium rate reduction. Check with your insurance provider to see if a reduction is available.
- Alive at 25 is a state approved Driver Awareness Program, which allows teens who are 15y6m to test for their driver's permit at the DMV.

720-269-4046

Idalia Junior/Senior High School will be offering an Alive at 25 defensive driving class on Sunday, November 19, 2017 from 11:00 a.m. To 3:30 p.m. Alive at 25 is a highly interactive, 4½ hour driver's awareness course designed by the National Safety Council and taught by local law enforcement officers. The course encourages young drivers and passengers, ages 15-24, to take responsibility for their behavior in a motor vehicle. Alive at 25 instructors use personal examples, and even humor, to get their point across. They use workbook exercises, interac-

tive media segments, group discussions, role-playing, and short lectures to help young drivers and passengers develop convictions and strategies that will keep them safer on the road. **ENROLL NOW** at www.aliveat25.us or by calling **720-269-4046**. Tuition for Idalia Junior/Senior High School students attending the November 19 class will be reduced from \$79.00 to \$39.00! The enrollment password for the website is Wolves2017 and is case sensitive. (PLEASE NOTE: THE REDUCED TUITION RATE FOR PTA FUNDRAISER CLASSES IS ONLY VALID FOR VOLUNTARY STUDENTS. STUDENTS TAKING THE CLASS DUE TO A COURT ORDER OR ANY OTHER LEGAL MATTER MUST PAY THE FULL PRICE TUITION RATE OF \$79.00.)
