KING SOOPERS MAKES CHANGES

We are happy to announce that King Soopers has made it much easier to support Idalia Vision Continuing Education. Gift cards are no longer used. (If anyone still has a gift card that has money loaded on it, it can still be used until there is a zero balance). Register your personal loyalty King Soopers card one time at www.kingsooperscommunityrewards.com, click on enroll now, log in or create account if you don't already have one and click on Idalia Vision Continuing Education. It is that simple.

All profits from the drink and snack machines and the use of Safeway gift cards and King Soopers loyalty cards are used to fund scholarships for student applicants. Safeway and King Soopers donate 5% back to Idalia Vision Continuing Education program every time your card is used.

Purchasing and using Safeway reloadable gift cards is very easy. Individuals buying these cards need to reload them at the register for whatever amount they choose. Loading this card can be done by using your credit card, check, cash or debit card. The card is swiped just like a credit or debit card. These cards can be used to purchase fuel at Safeway as well as merchandise. It is easy to purchase and use a reloadable Safeway gift card. Initial cost of each card is \$10 which is already added to the card for you to use. Checks need to be written to Idalia Vision Continuing Ed and can be purchased at the school office.

Perhaps your child has received a scholarship from the Continuing Education in the past; or maybe you have a child that will be eligible to receive a scholarship in the future. Wouldn't this be a great way to show your appreciation for that scholarship by supporting this program?

Idalia Vision Continuing Education committee members include Linda Evans, Kathy Wiley, Ken Brenner, Andrea Louthan, and Deb Crites. Please contact any of these people for questions. *Submitted by Deb Crites*

PHYSICS MOUSETRAP CAR

The Idalia Physics class were partnered up and designed a car that would only be powered by a mousetrap. Their grade would be calculated by whose car went the fastest and whose car went the greatest distance. The winners for this project were Veronica Cody, Brisa Perez, and Macy Richards. Their car traveled at a distance of 52 feet and 4 inches and also went as fast as 4 ft./second. All the different designs were so cool to look at and it was an interesting experience for all of the students in the class. There were many modifications to all of the different cars.

Submitted by Brisa Perez, Physics Student

Top winners for distance and speed for car were Brisa, Veronica, and Macy.

ITZEL GONZALEZ - WOLF OF THE MONTH

Itzel is a 15-year-old sophomore on the High Honor Roll. Itzel names Mrs. Sherri Ramseier (Speech), Mrs. Kristi Minor (Science), Mrs. Cindy Soehner (Math), Mr. David Wilson (Art), Mr. Daniel Weirich (Social Studies), and Mrs. Su Wright (English) as her favorite teachers. Some of Itzel's hobbies and interests outside of school include reading, writing, drawing and painting, and dancing. Itzel states that her role model is Daniel Sontame, and states, "He has been through a lot of things that would normally make someone sink, but he is very strong."

When asked to discuss an accomplishment that she is proud of, Itzel responded, "I am very proud over how much I have improved my English, even though I got here only three years ago." Itzel shared that a 'Fun-Fact' about herself is that, "Even if it doesn't look like it, I am a person who really enjoys dancing, and I guess I'm not bad at it." Itzel shared that her future aspirations include, "choosing a career that makes me happy." Itzel's advice to her fellow students is, "Follow your dreams, because if you do something you enjoy, you'll never have to work a day in your life."

Mr. Johnson had the following to say, "Itzel arrived in Idalia three years ago not knowing a word of English. Three short years later, she is an A student and earns the highest praise from each of her teachers. In my decade plus in education, I rank Itzel's story right near the top as one of the most impressive transformations I have ever witnessed. Itzel's academic work-ethic is second to none, and paired with her high level of intelligence and drive, the results are impressive to say the least. It has been a lot of fun watching this young lady continue to grow in confidence and achievement over the past three years. Great job Itzel, and congratulations on being named Wolf of the Month!" *Submitted by Myles Johnson, Superintendent*

COOKIE DOUGH SALES RESULTS

The elementary outdid itself this year, and we will be having a special celebration to reward those efforts. On December 13th, the entire elementary is invited to a special showing of a newly released feature film just for them at the Wray Theatre. Each class had a student reaching the Golden Ticket level, and those students will each receive a \$20 gift certificate for the Idalia School book fair.

Our top salesperson was Bailey Wudtke in 2nd grade, followed close by Elliot Louthan in 1st grade. Third was Blake Hardwick representing the 3rd grade, Alayna Bullock in 5th grade, Seth Monarrez in 4th grade, and Breckyn Richards in Kindergarten.

The company we use had a few challenges this year with the software that merges the online orders with the orders we send in from

the students. Unfortunately, we were the first school to begin to discover the errors and many of our students received their products and prizes on separate days. The company tried to make amends by adding additional stuffed animals or elevated the prize level for those who were inconvenienced. Thank you for your patience and understanding.

I want also thank Crystal and Alexis Juhnke, Terry, Berry, and Brandy Henrickson, and Larry Weyerman for sorting and delivering all of the orders once again this year. They are the best team ever!!

Thank you again for being the wonderfully supportive community that you are and for the funds donated from the Annenberg Foundation's Melodrama fund. All proceeds and donations go directly toward paying our artists, purchasing materials as need-

GYM CLOSED
