

## SEPTEMBER BOARD MEETING

On September 18, 2019, the Board meeting was called to order at 7:05 p.m. Those in attendance included board members Ken Brenner, Amber Hardwick, Kyle Kite, Jessica Towns, Larry Weyerman, Superintendent Myles Johnson, Business Manager Autumn Helling, Assistant Principal Kristi Minor, and audience members Chuck Wright and Dustin Weyerman. Following the pledge of allegiance, the agenda was approved.

Next, the August 19 board minutes were approved. The Business Service Reports were then presented and approved. During Committee Reports, Jessica Towns provided the Board with a Health and Wellness Update. Amber Hardwick briefed the board on the August 28 BOCES Board meeting she and Mr. Johnson attended. Mrs. Minor gave an Accountability Committee update. During her Principal's Report, Mrs. Minor updated the Board on student behavior and attendance records.

Mr. Johnson then gave his Superintendent's Report, where he shared 2019 student count (200) and demographics. Mr. Johnson then presented and discussed the recently released District and School Performance Frameworks, in which our school did very well, specifically impressive were the elementary students' CMAS results.

Next on the agenda was "Discussion/Action Items", where the Board passed a resolution to cancel the upcoming election due to no contested seats, with Jessica Towns and Dustin Weyerman being elected by acclamation. The Board then approved holiday bonuses as presented. During "Personnel Services" the Board approved the substitute bus driver list as presented. The meeting was adjourned at 8:05 p.m. and next meeting was scheduled for October 16, 2019, at 7 p.m. *Submitted by Myles Johnson, Superintendent*

### COOKIE DOUGH DELIVERY OCTOBER 9

Cookie dough orders will be delivered to the school the morning of October 9. A text will go out when each class order is filled, and parents can go to their child's classroom for the order. An important reminder - keep frozen products frozen until delivered to the customers. There isn't freezer space at the school. *Submitted by Cyndie Weyerman*

## SEPTEMBER BUSY MONTH FOR FBLA

**FBLA • ΦΒΑ**

The Idalia FBLA has been involved in two events this month. Their first project was painting the Main Street wolf paws followed by the CTSO Leadership Kickoff. Wolf paw painting was held on September 7, 2019, when members met on Richards Street, also known as Main Street, to paint the wolf paws that led to the school. Twenty-three members painted the paws. Members were Aubrey Richards, Hannah Carpenter, Brisa Perez, Talon Glanz, Cloey Jones, Brandy Henrickson, Macy Richards, Porscha Jacobs, Priscilla Cordova, Camren Morris, Marek Cody, Yahir Enriquez, Titus Glanz, Adriana Herrera, Tara Hubbard, Dawn Rice, Koy Smith, Kylie Wingfield, Alma Cordova, Naidelin Estrada, Tyler Hall, Alyssa Jones, and Allison Rice. After several gallons of paint, the wolf paws and the Idalia School logo have been painted ready for all to see.

The second event was the CTSO Leadership Kickoff on September 10 at the JeffCo Fairgrounds in Golden, Colorado. Six members including Aubrey Richards, Brisa Perez, Brandy Henrickson, Porscha Jacobs, Priscilla Cordova, and Camren Morris attended the event. Members rotated through leadership stations that taught them about how to get members involved in events, how to spread the word about chapter activities through social media, and how to teach important life skills in a manner that excites members. After lunch, the Idalia members delved deeper into the meaning of leadership along with how to apply ideas, motivation, and connection to the chapter to bring it to a new level. With the diversity brought by the multiple organizations attending, these FBLA members learned, connected, and grew in their leadership ability. These are the begin of the adventures and learning experiences that the Future Business of America Idalia Chapter will participate in this year. *Submitted by: Brandy Henrickson, Secretary/Reporter*

### TEACHERS TURNED STUDENTS AND RECEIVE PROMETHEAN TRAINING

Even our teachers are sometimes students! Idalia School District began upgrading classrooms with 75" interactive flat panels to enhance the students' learning experiences. Caiti Jones traveled to Idalia Monday, September 23, from Sacramento, California, to train members of our staff on all the exciting features and applications this technology brings to our students. The staff is excited to begin integrating this technology into their classrooms!

Caiti is an education specialist for Promethean, who is the maker of the new 75" Interactive Flat Panels (IFP's) the school has begun installing in the classrooms to replace the outdated SmartBoards. The replacement cycle began this past spring and will continue over the next few years to bring the school up-to-date with our classroom technology.

Kristi Minor, Morgan Reese, Sue Heath, Rebekah Wieser, Danielle Olofson and Sandi Wudtke joined Caiti to learn the many exciting feature the IFP's have to offer to not only enhance the students' learning, but also help facilitate simple, yet effective means for our teachers to share interactive content & learning with our students. Among the many features of the IFP's, teachers will now have the ability to be linked directly to student Chromebooks during class. This allows students to share their work directly to the IFP and allows teachers to instantly send questions to the students' Chromebooks to receive instant feedback on student understand of the material. The staff is excited to begin utilizing this feature, and the many other features this new technology offers! *Submitted by Mindy Richards and Cyndie Weyerman*

### STUDENTS TOUR CAMPUSES

On September 23, a group of students took advantage of their day off from school and traveled to Fort Collins where they visited both CSU and Front Range Community College. The students enjoyed touring both campuses as they begin to explore and consider options following their graduation from Idalia.

## BRANDY HENRICKSON - WOLF OF THE MONTH

Brandy is a 16-year-old Junior on the High Honor Roll and 4.0 student. Brandy names Mrs. Cindy Soehner (Math), Mrs. Sue Terrell (Business), and Mrs. Su Wright (English) as her favorite teachers. Some of Brandy's hobbies and interests outside of school include reading, shooting sports, watching movies with family, and laughing with friends. When asked about her role model, Brandy responded *"One of my role models is Mary Jackson, NASA's first African-American female engineer. She fought society so she could do what she loved."*

When asked to discuss an accomplishment that she is proud of, Brandy responded, *"I am proud to have won the Junior A-Class high all around national youth AIM shooting contest."* Brandy shared that a 'Fun-Fact' about herself is that, *"I love to stain wood projects."* Brandy was asked to discuss her future and stated, *"One of my goals is to get an academic or shooting sports scholarship for college."* Brandy's advice to her fellow students is, *"The going might get tough, but when you push and fight through, the reward and pride in yourself is so much sweeter."*

Mrs. Cindy Soehner nominated Brandy for Student of the Month and states, *"Brandy is the epitome of academic excellence. She has a dynamite combination of intelligence, work ethic, and high standards. Her level of responsibility is amazing. She has a quiet personality but is always willing to help a classmate."*

Mr. Johnson had the following to say, *"Brandy is one of our school's highest performing students. Without exception, all of Brandy's teachers commend her work ethic and academic performance. Brandy helps to set the academic bar incredibly high in our school. Outside of the classroom, Brandy is very active and makes countless contributions to our athletic, FBLA, and FFA chapters to name just a few examples. Great job Brandy and keep up the good work!"* Submitted by Myles Johnson, Superintendent

## CYBER-SOVEREIGN

On September 9, both 7-12 grade students and their parents received an education on online safety. Virgie Nelson, Sterling Police Department Youth Services Coordinator, presented CyberSovereign, a program designed to teach families about the importance of responsibility and caution in social media use. Parents and kids alike found the information eye-opening and engaging. A big thank you to Virgie for making the long trip to teach our community online safety! *Submitted by Lynne Cody*

## HYDRATION STATION AT IDALIA SCHOOL

The Idalia Health and Wellness Committee is pleased to report that the project of the hydration stations has been an overwhelming success. Students, staff, community members, and visitors have all been actively utilizing the two stations. We have seen an increase in water consumption within the school because of the ease of filling personal water bottles using the sanitary auto filler and the better taste using the filtered system. Our first system was installed at the beginning of November, 2017 and is still going strong saving 28,928 bottles of water as of September 3. Our second station was installed in the JH/HS end in August, 2019 and has saved 120 bottles of water so far. Not only has this project met the goals of our students and staff increasing water intake by means of a more sanitary unit, but has helped the environment by the reduction of disposable water bottles. We could not have made this project successful without support from the Northeast Colorado Health Department, Idalia School, the Gerber Grant, and Brandi and Jessie Jones. Thank you for your contribution. *Submitted by Jessica Towns*

Students and staff utilize the new hydration system in the high school end of the school. Thank you Health and Wellness Committee for supplying these.

## KING SOOPERS MAKES CHANGES

We are happy to announce that King Soopers has made it much easier to support Idalia Vision Continuing Education. Gift cards are no longer used. (If anyone still has a gift card that has money loaded on it, it can still be used until there is a zero balance). Register your personal loyalty King Soopers card one time at [www.kingsooperscommunityrewards.com](http://www.kingsooperscommunityrewards.com), click on enroll now, log in or create account if you don't already have one and click on Idalia Vision Continuing Education. It is that simple.

All profits from the drink and snack machines and the use of Safeway gift cards and King Soopers loyalty cards are used to fund scholarships for student applicants. Safeway and King Soopers donate 5% back to Idalia Vision Continuing Education program every time your card is used.

Purchasing and using Safeway reloadable gift cards is very easy. Individuals buying these cards need to reload them at the register for whatever amount they choose. Loading this card can be done by using your credit card, check, cash or debit card. The card is swiped just like a credit or debit card. These cards can be used to purchase fuel at Safeway as well as merchandise. It is easy to purchase and use a reloadable Safeway gift card. Initial cost of each card is \$10 which is already added to the card for you to use. Checks need to be written to Idalia Vision Continuing Ed and can be purchased at the school office.

Perhaps your child has received a scholarship from the Continuing Education in the past; or maybe you have a child that will be eligible to receive a scholarship in the future. Wouldn't this be a great way to show your appreciation for that scholarship by supporting this program?

Idalia Vision Continuing Education committee members include Linda Evans, Kathy Wiley, Ken Brenner, Andrea Louthan, and Deb Crites. Please contact any of these people with questions. Submitted by Deb Crites, Idalia Vision Continuing Education

## FRESHMEN FFA MEMBERS ATTEND GREENHAND WORKSHOP

Freshman FFA members participated in the Greenhand Workshop hosted at Idalia with other FFA members from our district. Our district includes chapters from Liberty, Arickaree, Flagler, Hi-Plains and Woodlin. The District officers put on a great workshop for students to learn more about the FFA as well as get to know students in FFA from our area. Submitted by Morgan Reese, FFA Adviser

## SEE YOU AT THE POLE

The See You at the Pole event began in the 90's with a small group of Texas teens and has grown into an international movement of prayer. This year we had a wonderful turn out of families and students of all ages. After raising the flag and hearing the history of the event, everyone shared in prayer together and enjoyed breakfast. Thank you to all who helped organize and to all who took time out of their morning to attend. *Submitted by Jessica Towns*

The community Thanksgiving lunch will be held on November 14, 2019.
