WOLF ON THE LOOSE!

In our second month of Wolf on the Loose, we are featuring another impressive gymnast—Elsa Foreman!

Nine-year old Elsa has been a gymnast for seven years and is a two-year member of the Tumbleweed Tumblers Gymnastics Team. She trains twice a week in St. Francis and competes two weekends each month. Despite her young age, Elsa shows a lot of discipline and dedication to this challenging sport, competing in all four events (uneven bars, beam, vault and floor) at the Gold level—although her favorite is the floor exercise. This season she has competed at six gymnastics meets, including the Earn Your Wings meet in Garden City and the Tumble in the Jungle gymnastics meet in Salina, Kansas where she earned first place in the all-around. She placed 1st in vault, 1st in bars, 4th in beam, and 4th in floor. Elsa will compete at the District meet on May 1, 2021, and join Anna Garton and Krista Wieser to compete at the AAU Nationals in Savannah, Georgia in June.

In addition to gymnastics, Elsa loves hanging out with her friends and playing basketball and volleyball. Elsa dreams of participating in gymnastics in college and one day becoming a gymnastics coach. Great Job, Elsa!

As future leaders, Idalia students are active both in and outside of the school environment. Each month the Wolfview will feature a student who excels in the community, either through athletic, academic, competitive, educational, or civic activities. Parents and community members—if you know of a member of our WolfPack who is doing great things outside of school, let us know! Send details to knlcody@yahoo.com -- we want to see your student as the next “Wolf on the Loose!”

100th DAY OF KINDERGARTEN

Just before Spring Break the Kindergarten class reached their official 100th day of school! This is always a big celebration in Kindergarten world. This year in Kindergarten we have been reading all about the adventures of Jack and Annie using the Magic Tree House book series. Of course, our classroom was transformed into a tree house and Jack and Annie wrote us a story and helped us celebrate. The day was spent doing all things 100. We built 100 cubes-tall towers and had 100-seconds building races. We read and wrote 100 words and added 100 numbers.

Of course, we concluded the day with the traditional 100 pieces of candy hunt and also true to tradition, there may or may not be a couple pieces of candy still missing! The day goes fast and we are always sad when it's over, but, Kindergarten came back excited to keep learning on day 101!

READ AND RUN CHALLENGE

Our read and run challenge is rocking! So far we have read over 64 books and ran over 175 Miles! The challenge is on-going until May 14th. All students who read 5 books AND run 25 miles get to join us for a celebration in May. Students

can continue to read books from our challenge list topics and continue to turn in their forms to Mrs. Lengel for prizes. Miles ran need to be tracked at home by parents. When your child reaches 25 miles take a picture and send it to Mrs. Kite. You can still track the 25 miles even if you do not enroll your child through the official website. The running website is only needed if you want to give your child prizes for running their miles. Please contact Mrs. Kite or Mrs. Lengel if you have any questions!

YAHIR ENRIQUEZ - WOLF OF THE MONTH

Yahir is a 17-year-old junior. Yahir names Mrs. Sherri Ramseier (Language) and Mr. Daniel Weirich (Social Studies) as his favorite teachers. Yahir's favorite subjects are History, Ag Mechanics, and Horticulture. Some of Yahir's hobbies and interests outside of school include football, basketball, and working outside. Yahir names his older brother Erick as his role model and states, *"Erick pushes me to try my best at whatever I am doing."*

When asked to discuss an accomplishment that he is proud of, Yahir responded, *"I am proud of my athletic accomplishments, where I have been named All-Conference in both football and basketball multiple times."* Yahir's future plans include *"graduating high school and then going to college."* A piece of advice Yahir offers to his classmates is, *"Sometimes life is hard - but whatever you go through, push through and strive for your goals."*

Mr. Johnson states, *"Yahir is a very solid, reliable, and overall good kid. He has gained the respect of his peers and is one of our school's leaders. Along with his many athletic accolades, Yahir always gives his best*

effort in the classroom. Yahir is heavily involved in the school and community, with just a few examples including athletics, Student Council, FFA and FBLA. Yahir is always willing to offer a helping hand, and we are extremely proud to call him an Idalia Wolf. Congratulations Yahir and keep up the good work." Submitted by Myles Johnson, Superintendent

SUPPORT YOUR LOCAL CONTINUING ED SCHOLARSHIPS

King Soopers has made it easy to support Idalia Vision Continuing Education. Each person's membership card will benefit Idalia Continuing Ed every time it is used.

Purchasing and using Safeway reloadable gift cards is very easy. Individuals buying these cards need to reload them at the register for whatever amount they choose. Loading this card can be done by using your credit card, check, cash or debit card. The card is swiped just like a credit or debit card. These cards can be used to purchase fuel at any Safeway gas station as well as buying groceries. It is easy to purchase and use a reloadable Safeway gift card. The initial cost of each card is \$10 which is already added to the card for you to use. Checks need to be written to Idalia Vision Continuing Ed and can be purchased at the school office.

All profits from the drink and snack machines and the use of Safeway gift cards and King Soopers loyalty cards are used to fund scholarships for student applicants. Safeway and King Soopers donate 5% back to Idalia Vision Continuing Education program every time your card is used.

Has your child received a scholarship from Continuing Ed in the past? Maybe they will be eligible to receive a scholarship in the future. What better way to show your appreciation for that scholarship than to support this program?

Idalia Vision Continuing Education committee members include Linda Evans, Kathy Wiley, Ken Brenner, Andrea Louthan, and Deb Crites. Please contact any of these people for questions.
