## JANUARY BOARD MEETING MINUTES

On January 20, the Board meeting was called to order at 7:00 p.m. Those in attendance included Board Members Ken Brenner, Amber Hardwick, Kyle Kite, Jessica Towns, Dustin Weyerman, Superintendent Myles Johnson, Business Manager Autumn Helling, and Assistant Principal Kristi Minor.

Following the Pledge of Allegiance, the Agenda was approved. Next the December 9 Minutes were approved. The Business Service Reports were then presented and approved. Mrs. Minor then gave her Principal's Report. Next Mr. Johnson shared his Superintendent's Report, where SAT results, the LED light project, and a general discussion about 2<sup>nd</sup> Semester was held.

Under "Discussion/Action Items" the Board approved school cancellation on 12/15 due to inclement weather. Next the Board approved the 2021-2022 Salary Schedule. Under "Personnel", the Board approved basketball

### PSAT/SAT NOTICE

Sophomores will take the PSAT, and juniors will take the SAT this April. More information will be available at a later date.

coaching contracts as presented. The meeting was adjourned at 8:25 p.m., and the next meeting was set for 6:30 p.m. on February 17, 2021. *Submitted by Myles Johnson, Superintendent*

**After Prom will be delivering Valentines' orders on the 11th of February because of the four-day weekend around Valentines' Day and also due to the changes this year because of Covid. You may order online (see info below) or you can use a hard (paper) copy available on page 2 of this newsletter.**

## MACY RICHARDS - WOLF OF THE MONTH

Macy is a 17-year-old senior and 4.0 student on the High Honor Roll. Macy names Mrs. Cindy Soehner (Math/Science), Mrs. Sherri Ramseier (Language), Mr. Daniel Weirich (Social Studies), and Ms. Morgan

Reese (Ag) as her favorite teachers. Macy's favorite subjects are Science and Ag. Some of Macy's hobbies and interests outside of school include reading, riding horses, and spending time with friends. Macy names her parents, Lisa and Duane, as her role model and states, "My parents motivate me to work hard, just as they both have their entire lives."

When asked to discuss an accomplishment that she is proud of, Macy responded, "I am proud of being on High Honor Roll for all four years of high school and also being selected to National Honor Society". When asked to share her future aspirations, Macy stated, "I plan to attend Kansas State to pursue a degree in Animal Science/Pre-Vet." Macy's advice to her fellow students is, "Don't procrastinate. Start making goals for the future now."

Mrs. Cindy Soehner states, "Macy has a kind heart and a ton of common sense. No matter what you ask her to do, she does it without complaint and very independently. I enjoy her sense of humor and her appreciation of the amazing things in the world around her. She will find success in the future and make us proud!" Mr. Johnson added, "Macy is a straight-A student and excels in the classroom. She is extremely driven academically and never settles for mediocrity. Macy aspires to become a veterinarian, and there is no doubt she has the ability and work-ethic to achieve this. No matter where life takes her, I am sure Macy will find much success. Great Job Macy!" Submitted by Myles Johnson, Superintendent

## UNC MATH CONTEST

Idalia's Tyler Hall has qualified to compete, once again, in the UNC Math Contest. Unfortunately, due to Covid restraints, there will be no final round. Congratulations to Tyler and we are expecting big things in 2022! Here is just one of the questions on the first-round test Tyler took in October:

If  $n! = (2^8)(3^4)(5^2)(7)$ , then what is  $n$ ? Solution:  $n = 10$

## HELP YOUR TEENS TAKE CONTROL OF THEIR DENTAL HEALTH

February is National Children's Dental Health Month and much of the promotion and education focuses on parents helping to teach their younger children good oral health habits. But parents of teens know that encouraging them to make good health decisions is challenging—these years are filled with hamburgers, pizza, pop, and an extremely busy lifestyle which keeps them constantly on the go. And they don't often think about the long-term effects of the choices they make today. However, it is still important. The CDC states that dental decay is the most common chronic disease in young people between the ages of 5 and 17. And the habits they create now will ensure their teeth stay healthy for the rest of their lives.

Oral care doesn't have to be time-consuming. These habits become routine easily. Remind them that they want their teeth to look good, so these are easy habits to keep their teeth pearly white.

**BRUSH AND FLOSS TEETH DAILY.** The cornerstone of healthy teeth is simply brushing and flossing—every single day. Brush at least twice a day (sure, three times is recommended, but who has time for that?) and floss once a day. This under-5- minute routine is paramount to long-term oral health.

**SEE THE DENTIST ANNUALLY.** Make the dentist visit a regular preventative measure, not a punishment for inadequate oral care. Your dentist is your partner, finding cavities before they become a serious problem, discovering orthodontic issues, and advising on wisdom tooth care. Many dentists have flexible hours, so even busy teens can get in for a yearly visit. Teenage girls are at an increased risk for gum disease due to hormone increases during puberty, which increase gum sensitivity.

**PROTECT TEETH FROM SPORTS INJURY.** More than 200,000 mouth & jaw injuries occur each year; a mouthguard is your best defense against sports injuries. Whether you get a custom-made guard from your dentist or a store-bought model, clean it often and store in a ventilated container. **MAKE**

**HEALTHY FOOD CHOICES.** Due to their school, sports, and other extra-curricular activities, today's teens maintain a hectic schedule. Poor food choices can have long-term negative effects, but simply adding some healthy snacks like apples or carrots—along with water—can help offset tasty (but damaging) food habits. For even more dedicated teens, a travel size toothbrush & toothpaste can be tossed into a gym bag or locker for after-meal brushing.

**DON'T USE TOBACCO.** We all know how bad smoking is for lung health, but did you know that smoking wreaks havoc on your mouth? Some of the most common oral conditions caused by both smoking and chewing tobacco include gingivitis, halitosis, periodontal disease, oral mucosal lesions, hypersensitivity, oral pre-cancerous lesions, and cancer. Don't start and you don't have to try to quit.

**BRACES REQUIRE ADDITIONAL CARE.** One of the biggest expenses in your teen's oral care is orthodontia. The goal is to help your teens leave high school with straight teeth, but along with this comes some elbow grease. Support your orthodontist by providing braces-friendly snacks (remind teens they are only "taking a break" from taffy, gum, and caramel apples!) and providing flossers and brushes which make teeth cleaning easier. And sympathize with them as they deal with braces and retainers—it is challenge that will pay off once they have them removed!

Teens are ready to take control of their self-care and with your support and these tips, they will be well-prepared to continue these healthy habits long after they fly the coop! Submitted by *Lynne Cody, Idalia Health & Wellness Committee*

## Support your Idalia Wolves!

Go to the school website at

## Go Wolves!!!

# Parent-Teacher Conferences February 24 2:00—6:00 p.m.

**What:** A Reading and Running Challenge

**Who:** All Students K-12

**When:** January-May 14th

**How:** Reading: Complete *any* 5 of the challenges from the challenge list. Fill out a book review form for each book read. Turn the forms into Mrs. Kite or Mrs. Lengel.  
Running: Register with our school at [100mileclub.com/signup](http://100mileclub.com/signup) and begin logging your miles.

**Why:** For healthy brains and healthy bodies! Plus, prizes will be earned for every 25 miles logged and every book read. *Students who complete 25 miles AND 5 Books will join us for an end of year party in May.*

**Questions:** See Mrs. Kite or Mrs. Lengel. Students will be responsible for turning in book reviews and logging miles ran.

**Notes:** All registrations and activities are per child and NOT per family. Running club prizes will be shipped upon registration-parents can distribute those as goals are met. Students can choose only the running or reading challenge, but must do BOTH to attend the party in May.

## SUPPORT YOUR LOCAL CONTINUING ED SCHOLARSHIPS

King Soopers has made it easy to support Idalia Vision Continuing Education. Each person's membership card will benefit Idalia Continuing Ed every time it is used.

Purchasing and using Safeway reloadable gift cards is very easy. Individuals buying these cards need to reload them at the register for whatever amount they choose. Loading this card can be done by using your credit card, check, cash or debit card. The card is swiped just like a credit or debit card. These cards can be used to purchase fuel at any Safeway gas station as well as buying groceries. It is easy to purchase and use a reloadable Safeway gift card. The initial cost of each card is \$10 which is already added to the card for you to use. Checks need to be written to Idalia Vision Continuing Ed and can be purchased at the school office.

All profits from the drink and snack machines and the use of Safeway gift cards and King Soopers loyalty cards are used to fund scholarships for student applicants. Safeway and King Soopers donate 5% back to Idalia Vision Continuing Education program every time your card is used.

Has your child received a scholarship from Continuing Ed in the past? Maybe they will be eligible to receive a scholarship in the future. What better way to show your appreciation for that scholarship than to support this program?

Idalia Vision Continuing Education committee members include Linda Evans, Kathy Wiley, Ken Brenner, Andrea Louthan, and Deb Crites. Please contact any of these people for questions.
